Superintendent
Minutes of the 4th Meeting of Nodal Officers of Mission Tandrust Punjab 2.0 held under the Chairmanship of Principal Secretary, Science, Technology & Environment, Govt. of Punjab on 07.09.2019 at 12.00 Noon in Conference Hall, PSCST Chandigarh.

1. The list of participants is at ‘Annexure-1’.

2. PSSTE while inviting representatives of Lead Departments to bring out status about preparation of Action Plans on the relevant Sub-Missions expressed deep concern about slow pace despite having discussed the issues in three previous meetings. Thereafter, Sub-Mission-wise discussions were held. Outcomes of the same are as under:

| 10 | Preventive Health | Dr. G.B. Singh, Nodal Officer | Draft prepared. To be finalized for submission. | • Lead Department to revise action plan involving other concerned departments.  
• Some new and innovative initiatives and use of technology may be included in the action plans. |
3. Only few departments could provide details of their draft Action Plans. All of these, however, required further reworking. Dissatisfied with the outcome, PSSTE reiterated about the role of Lead Departments for preparing the Action Plans involving supporting departments. He, therefore, again made a brief presentation about important aspects of various Sub-Missions and emphasized that:

(i) Lead Departments need to call sectoral group meetings to prepare holistic Action Plans for sub-missions relevant to them and submit the same to Department of Science, Technology & Environment within a week.

(ii) The Action Plan shall be prepared in the format already given to the departments. In case of any difficulty, the Department may approach Mr. Saurabh Gupta, IFS, Additional Director (Environment) Mobile No. 86990-01516 or Dr Satnam Singh Ladhar, Additional Director (Env), PSCST Mobile No. 94632-00886.

(iii) Each Lead Department to intimate name of Nodal officer appointed for coordinating activities under the Mission.

(iv) Necessary action shall be taken by the Departments within a week as the next meeting of the CM’s Consultative Group is to be held shortly and the draft action plan has to be put up to the group and then to CMM.
